

2019 Feb 10

We are safe and sound in Papua New Guinea!!

Thank you for your prayers! We have been here ten days getting settled in our house and adjusting back to life in PNG. We are mostly unpacked but Jodi is still working on putting 50lbs of her nursing books up in our office:)

Our USA cell phone numbers have been shut off, but you can still email us and FB message Jodi.

Serving Bible Translation with you!

Jay and Jodi
