

## **BGMC**

Boys and Girls Missionary Challenge, known as BGMC, is the AG missions program for kids that instills a heart of compassion to reach the lost through praying, giving, and going. All funds raised through BGMC go to meet critical needs around the world such as feeding programs, water wells, Bible schools, curriculum, and whatever else a missionary needs in their part of the world.

Our missionaries can use BGMC funds for any ministry supplies that relate to evangelism and discipleship, such as Puppets, music, video tapes, tracts, Bibles, literature, sound systems, computers, copy machines and more.

BGMC funds are used to supply Bible schools all over the world with equipment, library books, text books, and scholarships. BGMC is the major source of funds for these schools. The training of national pastors is so important to the perpetuating of the church in countries all over the world.

Boys and Girls Missionary Challenge especially tries to target the children of the world by providing for street kids, orphanages, feeding programs, and school supplies, sending kids to camps, the making of children's TV programs and videos, and lots more!
