

Light for the Lost (LFTL) serves to "empower the church to provide God's Word for every person on the planet." Providing a variety of resources such as audio, visual and printed materials, LFTL has one guiding principle: all Light for the Lost assistance must be to provide resources directly related to evangelism.

John 4:35 says, "Look at the fields...they are ripe for harvest." LFTL provided resources are multiplying and empowering the efforts of missionaries in communicating the story of Jesus to a 'ripe field of people'.

Light for the Lost is assisting missionaries and missions projects around the world with evangelistic resources to share a message of hope. LFTL is a men's ministries initiation, administered by National Men's Ministries but fulfilled by the church as a whole.
